

**UL STUDENT LIFE
STUDENT EXECUTIVE COMMITTEE REPORT**

Role / Position		: Societies Officer
Author		: Jeremy Pili
Date		: 27 January 2022
Audience		: UL Student Council
Action		: Update & Opinion
Goals		
Main Goals	Progress since the last Council meeting	
Societies-Wide Communication	The WhatsApp group Chat is running smoothly, people are asking questions and getting answers from their peers, which is exactly what was hoped for!	
Public Relations Supports for all C&S	Progress potentially made in the Wolves Brand assessment, looking to follow up at the net C&S Executive meeting.	
Other Achievements since last Council		
New Society Applications	Additional pitches assessed and approved, latest set of proposals were well-considered and expand scopes of existing activities, adding to variety.	
Attendance at events/meetings and actions taken or agreed		
Student Life Executive	Gave feedback on the proposed event schedule provided by the Student Officers.	
Plans before the next meeting		
Action/work area	What I hope to achieve	
Opening up Societies	Looking into methods of allowing societies to upscale events, especially with the new state of restrictions nationally. Currently waiting for UL to provide an update to their COVID-19 policy before moving forward with further exploration.	
Societies Feedback	Painting a picture of what societies want to achieve this semester and forwarding the information to the rest of C&S Executive at the meetings.	

Student Engagement	
Type of Engagement (Meeting, event etc)	Purpose and anything to report on
Societies WhatsApp	Continuing to assist committee members when relevant questions are asked.
In-Person Discussions	Queries on the possibility of an in-person recruitment drive; Need to wait on the new COVID guidelines from the Health and Safety dept. to elaborate.
Media engagement and external relations	
Engagement (Press, other organisations etc)	Purpose and anything to report on
